1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I am a Duke Energy customer.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

I am retired and live on a limited income. My cost of living has increased markedly. Yet Duke is asking for an excessive rate increase - despite posting huge profits and being granted a rate increase only last year! Duke should not be granted any rate increase and indeed is not entitled to any increase if only because of their profits.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *
(This section should be completed.)

I am unable to appear at a hearing in this proceeding.
